Dear First Choice Bank Friends,

Due to ongoing concerns over the continued increase in COVID-19 cases, First Choice Bank has made the difficult decision to cancel this year's Annual Charity Golf Tournament, originally scheduled for October 22, 2020. While we are always excited to see everyone at the tournament, after thoughtful deliberation, we realized that proceeding with an in-person event this fall would not allow us to provide the quality experience that our participants have come to enjoy every year.

Although we won't be gathering on October 22nd to enjoy the companionship of our friends, sponsors and clients, there is still a critical need to continue the Bank's mission to raise money to support our 18 charitable organizations in need. The impact of COVID-19 on the nonprofit community is unprecedented. These groups are facing higher demand for services amid strained resources during the pandemic. They need our help more than ever.

Thank you for your past support. If you are able, please make a donation by mail or through the FCB website. One hundred percent of all donations will go to the 18 Charities soon to be selected. In addition, First Choice Bank and Much is Given Foundation will each match this year's contributions dollar-for-dollar, essentially tripling the money collected and given to the nonprofit organizations! Even if you are not able to donate this year, please advocate for us and the nonprofit community by sharing our mission.

In times like this, we are reminded how connected we all are. Thank you for being part of the community and making a positive difference in the lives of those who need it most. Without you, none of this is possible.

Sincerely,
