Serving Our Community

This past spring, First Choice Bank staff, families and friends once again came together to support the Los Angeles Regional Food Bank. This is the fourth year First Choice Bank has organized a volunteer day for the Food Bank where volunteers assembled food packages that will benefit women with infants, children and senior citizens in the local community.

Thank you to everyone who took part in the volunteer efforts. Your support made a meaningful difference in the lives of countless community members!

Thomas Vasquez

A banking professional with over 21 years of experience, Thomas Vasquez is one of the newest additions to the FCB team. Previously employed by Community National Bank and Excel National Bank, Thomas earned the remarkable title of top SBA 7a loan producer for three consecutive years at both institutions. A graduate of the University of San Diego, Thomas is now FCB’s Vice President/SBA Business Development Officer.

Thomas and his wife, Stacey, are the proud parents of three sons: Tommy (age 16), Jake (age 13) and Cole (age 7). As Thomas explains, “All three of my sons are baseball players. My two oldest sons play on competitive travel teams year round. Stacey and I spend a great deal of our time shuttling our kids to practices and games, but it is something we all love to do as a family.”

Kim Liu

A veteran of the financial services industry, Kim Liu came to FCB in April following a break from banking to focus on raising her children. She gained her extensive banking knowledge while serving in previous positions at Bank of America, US Bank, Chinatrust Bank and East West Bank. Now employed by FCB as a Loan Relationship Manager, her experience and professionalism have proven to be an asset to customers and co-workers alike.

Though she is new to FCB, Kim has already come to value the daily interactions she has with her co-workers. She notes that her role at FCB requires the collaborative efforts of several departments, and she is grateful to be working with such a skilled and capable team.

Outside of work, Kim enjoys spending time with her husband and two children, ages 15 and 3.
